

Improve Your Record-Keeping And Presentations With Cephalometric Tracings From Johns Dental.

To enhance your patient presentations, you may also want to order patient record models. Record models from Johns Dental are discounted when purchased with your cephalometric tracings.

Computerized Cephalometrics

Insure the safety of your practice by maintaining high standards for dental/legal record keeping. Our quality computer-generated tracings will reduce your risk and upgrade your presentations.

Learn Sassouni Plus

Now you can learn the Sassouni Plus Analysis in its revised pictorial format, now available on DVD with 13 questions.

Dr. Beistle's lecture will give you the clearest possible cephalometric information, without the traditional mathematical comparison to numerical norms.

For more details, call our customer service department at 800/457-0504.
